

Equivalent Study Load at Exchange Universities for 18 or 24 UWA Credits
(September 2020)

This following table is a guide for Faculty course advisers and students about the points or credits required to achieve the equivalent of a standard full load at the UWA per semester. It is based on historical approvals and is continually updated so should not be used as a predictor of future credit arrangements. This information is primarily for Undergraduate students. Loads may vary for Postgraduate students. International students need to maintain a standard full-time study load per semester to satisfy student visa requirements.

Please note that the host universities use different terminology to that used at UWA.

Units may be called the following: **Courses, Modules, Subjects, and Papers.**

Points may be called the following: **Units, Credits, Credit Hours, ECTS (European Credit Transfer System).**
